

## Online Appointment Booking For Parents Evening

The school has introduced a new intuitive and easy to use online appointment booking system for parents' evenings. This new system allows you to choose your own appointment times with teachers online and you will then receive an email confirming your appointments.

We are confident this will be an improvement to the previous system and welcome any feedback.

You will receive an email from the school (please ensure the school has your up to date email address) approximately two weeks prior to your child's parents evening. When you receive this email please visit –

<https://thenorth.parentseveningsystem.co.uk>

This will take you to the log-on page as shown below. Once you have entered all requested details you will be able to book your appointment.
