

School Bulletin for Friday 26th January 2018

Dear Parents and Carers,

Student Illness

As we are into the winter period, the incidence of illness is increasing and whilst nobody can avoid occasionally being sick, it is important to remember that your son/daughter only receives 190 days of education a year and any missed days and lessons have an impact upon them and potentially their progress and results. If, however your son/daughter is unwell enough not to attend school, can we please remind you that you should notify the school each day by telephoning the Attendance Office (extension 206) first thing in the morning.

The Medical Room day pass can be obtained from the Attendance Office or Medical Room following an absence due to illness. This allows the student to access the Medical Room throughout the day. Depending on the reason, the pass can be issued on a daily basis.
